THE LEADERSHIP TEAM

The Board of Education recognizes the value to the district of a system of management organization that enhances communication among administrators and between the administration and the Board, encourages a shared responsibility for educational policy decisions, and provides for the equitable resolution of conflicts.

The Superintendent shall institute a leadership team management system that will provide a means for

2. Addressing their economic concerns and working conditions;
3. Consideration of such additional and appropriate issues as may be identified by the Superintendent or principals.
