

DELANCO TOWNSHIP BOARD OF EDUCATION

No. 2421/page 1
Vocational Education

VOCATIONAL EDUCATION

The Board of Education -shall provide a program of vocational education to prepare pupils for gainful employment as semiskilled workers or as technicians or semiprofessionals in recognized occupations and in new or emerging occupations, to prepare pupils for enrollment in advanced or highly skilled vocational and technical education programs, and to assist pupils in making informed and meaningful occupational choices. The Board will support a program of vocational education that includes vocational courses of study as part of the regular curriculum of the school. The Superintendent shall develop regulations that insure that all programs are operated in conformity with the current state plan for vocational education; that all teachers are properly certified for their specific teaching assignments; and that the vocational education of disadvantaged and handicapped pupils is supplemented by suitable programs of remedial instruction.
