SUMMER SCHOOL

The Board of Education may conduct a summer program of instruction for pupils enrolled in grades pre-kindergarten through eight. The summer session must be approved by the County Superintendent and may include

1. Remedial courses for pupils who wish to retake a course or subject previously taken and for which credits or placement may be awarded,
2. Advanced courses for pupils who wish to take a course or subject not previously taken and for which credits or placement may be awarded, and
3. Enrichment courses for pupils who wish to take a course or subject of avocational interest and for which no credits are awarded.

Pupils eligible for the summer school of this district shall include resident pupils eligible for regular attendance in this district and may include, as space is available, nonresident pupils whose age or grade level is appropriate to the course of study applied for. A pupil will be enrolled in a remedial course only on the written recommendation of the principal of the school that the pupil regularly attends. The recommendation must state the subject(s) recommended and the purpose for each. A pupil previously retained at grade level may be promoted on successful completion of a required remedial course, but no pupil shall be required to attend summer school. A reasonable tuition fee may be charged to nonresident pupils enrolled in a summer school course and to resident pupils enrolled in enrichment courses determined by the County Superintendent to be unrelated to the regular school curriculum. No tuition shall be charged to pupils domiciled within the district for enrollment in remedial or advanced courses. The Board will provide transportation to and from summer school classes for no pupils. The Superintendent shall develop regulations for the summer school that include provisions for appropriate planning, proper staffing, pupil assignments, pupil evaluation, pupil records, award of credit, grade placement, and the utilization of facilities. Such regulations for the operation of the summer school shall be consistent with rules of the State Board of Education and Board policies, and the operation of summer school shall not conflict in any way with the administration of the regular school sessions of this district.
