

## **DELANCO TOWNSHIP BOARD OF EDUCATION**

No. 2551/page 1  
Musical Instruments

### **MUSICAL INSTRUMENTS**

The Board of Education will purchase and maintain a supply of musical instruments for pupils enrolled in the instrumental music program. In general, pupils are encouraged to rent or purchase their own musical instruments. District-owned instruments will be available to those pupils for whom the purchase of a musical instrument would impose a difficult financial burden.

District-owned instruments are available for only the first year of study; a pupil who continues instruction on the same instrument longer than one year is expected to purchase an instrument. District-owned instruments will be available to pupils, in the order in which requests are made, until the supply is exhausted. If necessary, instruments will be redistributed among schools to satisfy the demand.

Instruments will be loaned only to those pupils whose parent has agreed in writing to assure the safe return of the instrument and to bear the cost of necessary repairs when so deemed by the principal. No fee will be charged for the loan of district-owned musical instruments.
