Nondiscrimination in Conduct

NONDISCRIMINATION IN CONDUCT

The Board of Education is committed to equality of opportunity in every aspect of the operation of this school district and will not condone conduct that discriminates invidiously among staff members or pupils on the basis of race, gender, age, national origin or ancestry, religion, handicap, or social or economic status.

The conduct of teaching staff members shall exemplify the highest principles of equality and democracy. Conduct and attitudes that display discrimination are contrary to the policies of this Board and, further, are destructive to the self esteem that this Board wishes to encourage in all pupils. Any teaching staff member's act of derision or enmity, in any form, against a person or persons on the basis of his or her race, gender, age, national origin or ancestry, religion, handicap, or social or economic status shall be considered to be conduct unbecoming to a professional staff member of this district and shall be subject to appropriate discipline.
