

## **DELANCO TOWNSHIP BOARD OF EDUCATION**

No. 3270/page 1  
Instructional Responsibilities

### **INSTRUCTIONAL RESPONSIBILITIES**

The Board of Education reserves the right to establish rules for the assignment of specific duties to teaching staff members and the conduct of teaching staff members during the work day. The Superintendent shall apply uniformly throughout the schools of this district, except as may otherwise be provided in this policy, the following rules for teaching staff member conduct:

1. Staff members will be expected, as part of their employment, to provide supervision for children who are present on the school property within the hours established by the Board for student arrival and departure. The assignment of these supervisory duties will be made by the school administrators in the most equitable and feasible fashion possible under the existing circumstances.
2. Teaching staff members are expected to attend every faculty meeting unless expressly excused by the principal.
3. Teaching staff members may leave the school grounds during mealtime without permission of the principal.
