Teaching Staff Member Tenure

### **TEACHING STAFF MEMBER TENURE**

The Board of Education recognizes that the benefit of tenure is conferred by law on teaching staff members who have completed the requisite period of probationary service in this school district. The Board also recognizes that certain professional service does not qualify the teaching staff member who performs that service for the grant of tenure. Tenure in any administrative or supervisory position as listed in N.J.S.A.18A:28-5 shall accrue only by employment in that administrative or supervisory position. Tenure so accrued will not extend to any other administrative or supervisory position and nothing shall limit or restrict tenure rights which were or may be acquired pursuant to N.J.S.A. 18A:28-6.

Service in the following positions shall not accrue toward the tenure status and shall be performed only under contract renewable at the discretion of the Board of Education:

1. Substitute teacher, acting in the absence of another employee;
2. Summer school teacher;
3. Co-curricular advisor;
4. Athletic coach;
5. Department chairperson other than a supervisor.
