**No. 5450/page 1
Athletic Awards**

ATHLETIC AWARDS

The Board of Education believes that interscholastic sports are an important part of the school program and will recognize the achievements of pupils who give many hours of their time to represent the schools in the district athletic program.

The Superintendent shall develop procedures for the recognition of pupil athletes that insure the equitable selection of award recipients, the designation of appropriate awards, and the arrangement of suitable presentation ceremonies.
