PUBLIC PERFORMANCES BY PUPILS

The Board of Education recognizes the value to pupils and to the community of the demonstration of pupil talents and skills in performances of pupil organizations in public events. The Board endorses such performances when they contribute to the instructional program, do not interfere with scheduled school activities, and do not exploit or endanger participating pupils.

Public performances of pupil organizations must be approved in advance by the Superintendent. All students are expected to participate in public performances for which they prepare during school time. Special area grades will be partially determined by such participation. Approval for a public performance will not be granted unless the staff advisor determines that the number of pupils who agree to participate is sufficient to represent the school fairly.

No pupil, pupil organization, or employee of this Board shall receive compensation for the performance in public of pupils organized for a school activity unless approved by the Board.
