SCHOOL CALENDAR

The Board of Education recognizes that the preparation of a calendar for the instructional program of the schools is necessary for orderly educational planning and for the efficient operation of the district.

The Board shall determine annually the days when the schools will be in session for instructional purposes, provided that such days number not fewer than 180 days.

The Board shall adopt annually a list of religious holidays that will include, but need not be limited to, those holidays designated as religious holidays by the Commissioner of Education. Staff members shall avoid, whenever possible, scheduling a test on a religious holiday commonly observed by residents of the district.

The Superintendent shall annually prepare, in consultation with the Riverside School District, and submit to the Board a school calendar no later than May 15. The Board reserves the right to alter the school calendar when such alteration is feasible and serves the best interests of the pupils of this district.
