COOPERATION WITH EDUCATIONAL AGENCIES

The Board of Education recognizes the need for communication between this district and other districts and that provide secondary programs to children residing in this district. The Board acknowledges that responsibility for the education and conduct of the pupil reposes in the school district in which he or she is enrolled.

The Board will attempt to meet periodically with the governing boards of other educational institutions that receive from this district a significant number of pupils. In order to maintain a cordial and constructive relationship with the Riverside School District, the Superintendent shall cooperate with the professional staff in articulation studies to assure that pupils of this district are properly prepared to enter the schools of the receiving district; inform pupils in their final year in this district of program options in the receiving district and counsel them regarding their program choices; provide an orientation program to pupils in their final year in this district to familiarize them with the facilities, procedures, and rules of the receiving district; develop procedures to follow the progress of our pupils during their careers in the receiving school; and keep the Board informed of any problems of an individual or group nature that may be a threat to the educational progress of our pupils.

In order to maintain cordial and constructive relationships with nonpublic schools, the Superintendent shall maintain liaison with the administration of all nonpublic schools located within this school district in order to be aware of any program changes that may be planned that could affect this district; determine how this district can advance the education of pupils attending such nonpublic schools by the provision in those schools of special programs; and cooperate fully in the implementation of all state and federal programs administered by this district that benefit, in whole or in part, eligible pupils attending such nonpublic schools.
