SALE OF TICKETS TO STUDENTS

The sale of admission tickets to district students during the school day by any organization outside of the school itself is not permitted without the Superintendent's permission. The staff is forbidden to act as agents for organizations not considered to be an integral part of the school district for the sale of any ticket, chance, or other means of assessment. Neither, shall the Delanco Schools permit the collection of funds, pledges or other items of worth during the school day by the school staff or by representatives of the charitable organization, but will permit children to participate in selected drives approved by the principal.
