

During 9th period on Fridays, our students will have an opportunity to participate in an elective class of their choosing. At the present time, we plan on offering classes such as **Foods, Scrapbooking, Chess Club,** and **Technology** at this time. Students will be asked to make their selections in homeroom on Tuesday, September 8th and Wednesday, September 9th.

At the Walnut Street School, we believe in having a culture of learning where **hardworking and respectful students are rewarded**. This year we are implementing a new **Behavior Modification Plan** at our school, and students can lose and earn back points based upon their behavior. Students who have a sufficient amount of points are rewarded by being permitted to participate in grade level field trips, club-oriented field trips, and fun end of the month assemblies and activities. Please take a moment to review our Behavior Modification Plan. It is located at the front of our Parent/Student Handbook.

I would also like to inform you of an important reminder regarding our **lunch program**. For your convenience, it is possible to prepay and purchase lunch in advance for your child for any duration of time. Checks or cash are accepted. Checks can be made out to the Delanco Board of Education. Students who have forgotten their lunch money may charge it up to two times.

Finally, we have tried to make all of the school paperwork as organized and user-friendly as possible this year. Attached to this letter is pertinent information for you to read through. Many of the forms need to be returned to the school as soon as possible. Please return the following by September 14th:

Yellow:	Internet and Technology Acceptable Use Policy

Pink:	Pupil Dismissal Form
Purple:	Bicycle Permission Form
Blue:	Student/Teacher/Parent Compact

We realize that this is a lot of information for you to go through. If you have any questions of any kind, please do not hesitate to call the office.

We are looking forward to a great year!

Sincerely,

John Cogan
